

**IN THE SPECIFICATION:**

**Please amend Page 57, Line 18 to Page 58, Line 12, as follows:**

If communications controller 420, however, determines that the current user has requested full information access (“Y” branch of decision step [[585]] 582, communications controller 420 determines whether the current user has requested access to restricted information (*e.g.*, access limited to employees, vendors, customers, affiliates, subsidiaries, or the like associated, or connected, with a particular company; for instance, with respect to an employee, the requested restricted access may suitably be to the company’s human resources (“HR”) system, possibly via a web page (whether Internet or intranet)). If communications controller 420 determines that the current user has requested access to restricted information (“Y” branch of decision step 583), communications controller 420 determines whether the current user is a logged-in/registered constituency member.
